Ysgol Bryn Onnen is a Welsh medium primary school in Torfaen. The school's catchment area encompasses the north of Torfaen , north of Pontypool.

The present school was opened in 1995 in the small village of Farteg which lies between Pontypool and Blaenafon. Prior to the current school opening pupils attended a Welsh Medium Unit at Pontnewynydd School from 1985-1995.

Currently the school has 8 classes (including nursery) and there are approximately 200 pupils on roll.

The school has a nursery class but we also have a number of pupils joining us from Ysgol Feithrin Pontypwl and Ysgol Feithrin Abersychan every year. At the end of Year 6 the vast majority of our pupils transition to Ysgol Gyfun Gwynllyw in Pontypool.

On behalf of the Governing Body it gives me great pleasure to welcome you to Ysgol Bryn Onnen Primary school which is a beautiful, warm and caring community school where the staff & pupils share a passion for excellent teaching & learning through the medium of Welsh.

Choosing the right school for your child is an important decision as all parents & carers will want the best education for your child. My own 3 children all attended Ysgol Bryn Onnen and I personally found the staff at the school helped develop my three children into well rounded young adults who are independent, strong and still speak Welsh daily.

Bydd rhai themau a mwy o bwyslais ar un MDaPH nag eraill ond dros amser bydd diddordeb a brwdfrydedd disgyblion am bob maes yn cael eu tanio.

# Curriculum

Since September 2020 Ysgol Bryn Onnen has participated in a programme of curriculum reform building towards the roll out of Curriculum for Wales in 2022.

Some topics will have more emphasis on one AOLE than others but over time pupils will have access to and be inspired in all areas of learning.

6 Areas of Learning and Experience

The focus is on healthy relationships, respect and care toward each other alongside developing an understanding of how our bodies change as we grow.

# PE and sports provision

PE and sport form an important part of our curriculum. Your child(ren)'s teacher will inform you at the start of the year which days children need to bring their PE kit to school and any equipment they may need. During the year we run after school clubs in a number of sports and compete in local and Urdd tournaments.

# The Welsh language

As a Welsh medium school everything we do is geared around promoting and supporting use of the Welsh language both in school and in the community.

The school is part of the Welsh Language Charter programme and has achieved the bronze award. Pupils will be rewarded for speaking Welsh, using Welsh language patterns correctly and for using the language outside the boundaries of the school.

In choosing Welsh medium education it is vital parents understand there is more to it than coming to school to learn Welsh. In order for their children to succeed parents need to commit to promoting the use of the Welsh language in the home by watching Welsh language television, listening to Welsh language music and reading welsh books.

# Religious Education and collective worship

Religious education form a part of every class' topics. Pupils will have opportunities to investigate  ceremonies, beliefs, practices, and stories from different cultures.

Assemblies are held daily. There is a timetable of class, key stage and whole school assemblies. Every Monday parents will be invited to join us for our certificate presentations. Occasionally special assemblies will be arranged with local charities and friends of the school such as Mrs Roynon, Noddfa Church and the Blaenafon British Legion.
